

Wilderness Battlefield Gateway Study
Project Brief August 31, 2011- Interim Findings & Questionnaire

Questionnaire

As the project transitions from the presentation of findings toward the next phase of recommendations and treatment, we welcome your comments and responses to the following questions. This form can be completed by filling in the PDF form in the highlighted fields and then saving the completed form to your computer. Simply email the completed form as an attachment to eslone@hillstudio.com.

Market data suggests there is a limited amount of retail that can be supported in the project area once Wal-Mart is introduced; what would your priorities for retail be?

How might the wealth and diversity of historic/ cultural resources identified be marketed/ leveraged into tourism dollars spent in the study area? What is limiting this condition now?

What industry or sector do you believe holds the greatest potential for job creation in the study area?

If access were established/re-established, what resource may the Rapidan provide to local residents, or visitors?

What is the most dire short term traffic issue to resolve? What is the most important long-term traffic issue to resolve?

What compatible and preferably income-generating uses are appropriate for additional open space within the study area?

*Please forward questions and/or your response to comments to Hill Studio project staff
